

Constitution of committees

Supervisory Board : All infrastructure supervisors & a representative of each of the partners + 2 ESRs (no voting rights), to validate all the decisions, solve conflicts.. Meetings twice a year.

1. CNRS Rennes	Philippe Davy
2. CSIC Barcelona	Jesus Carrera
3. Forschungszentrum Jülich, Agrosphere Institute IBG-3	Jan van der Kruk/Sander Huisman
4. Helmholtz Centre for Environmental Research	Majken Looms Zibar
5. University of Liège	Carsten Leven
6. University of Tübingen	Olaf A.Cirpka
7. University of Copenhagen	Peter Engesgaard
8. University of Lausanne	Niklas Linde
9. Neuchâtel University	Philipp Brunner
10. µQuans	Bruno Desruelle
11. Itasca Consultants S.A.S.	Caroline Darcel
12. SILIXA (partner not beneficiary)	Athena Chalari
Stanford University	Jef Caers
Oregon University	John Selker
University of Montpellier	Cédric Champollion
BRGM	J-Christophe Maréchal
SKB	Jan-Olof Selroos
AQUA	Tanguy Robert
University of Mons	Pascal Goderniaux
ACQUA	Mireia Iglesias Carrera

Advisory Board

Beth Parker (University of Guelph, Canada),
Bridget Scanlon (University of Texas at Austin, USA),
Kamini Singha (Colorado School of Mines, USA),
Andrew Binley (Lancaster University, UK)
Ty Ferré (University of Arizona, USA).

The Advisory Board will meet every year to assess the quality of research, measurement and management procedures, and provide external advices on all aspects of the project.

Training & tutoring Committee

Frédéric Nguyen (ULG)
Jan Fleckenstein (UFZ)
Majken Looms(UCPH)
Caroline Darcel(ITASCA)
Olaf Cirpka (UT)
Philip Brunner (UNINE)
Maria Pool(CSIC)
Damien Jougnot (CNRS)
Jan van der Kruk (FZJ)

Each recruited Early-Stage Researcher (ESR) shall be monitored by the Training and Tutoring Committee (hereinafter referred to as “TTC”). Each ESR is expected to meet his/her TTC in the first months of his/her employment contract, and then at least once each semester and will organise regular video-conferences and/or teleconferences.

& Experimental Infrastructure

Laurent Longuevergne (Ploemeur)
Sander Huisman (Krauthausen)
Alain Dassargues (Hermalle)
Carsten Leven (Lauswiesen)
JC Maréchal (Hyderabad)
Jan-Olof (SKB) & Mats Ohlsson (SKB)
Nico Trauth (University of Leipzig)
Karsten Jensen (Hobe)
Philippe Brunner (Emme)
Maria Pool (Argenton)
Cédric Champollion (Larzac)
Kostantinos Chalikakis (LSBB)
<i>& 3 experts from the advisory board</i>
Kamini Singha
Bridget Scanlon
Ty Ferré

The committee will gather every six months to discuss the planning of the field tests and identify opportunities for experimental synergies between ESR projects, and with on-going activities on the experimental sites.

& Selection Committee :

Philippe Davy
Olivier Bour
Damien Jougnot
Jesus Carrera
J.A (Sander) Huisman
Jan Fleckenstein
Frederic Nguyen
Carsten Leven-Pfister
Majken C. Looms
Niklas Linde
Philip Brunner
Cédric Champollion
Bruno Desruelle
Caroline Darcel
Athena Chalari

The SC will gather at the beginning of the project and will be dissolved after the recruitment of all the ESRs. It can be reconstituted on exceptional circumstances if decided by the SB.
